Carson A. Evans

US Citizen |CarsonEvans@outlook.com | 972-822-9607 | LinkedIn | GitHub

EDUCATION

University of Massachusetts Boston   **Boston, Massachusetts**
B.S. in Computer Science   *Expected Graduation, May 2026*
- o **GPA:** 3.94/4.00
- o **Relevant Coursework:** Database Design and Management, Management Information Systems, Statistics, Discrete Mathematics, Client-Side Web Programming, Statistics, Calculus I, Physics I

EXPERIENCE

enLabel Global Services   **Boston, Massachusetts**
Software Engineer Intern   *May 2024 – August 2024*
- Developed automated infrastructure pipelines in AWS using Terraform, improving cloud resource management efficiency and cost savings.
- Designed and maintained scalable cloud-based solutions focusing on security, performance, and automation.
- Implemented Microsoft IIS7 with certificate-based security and DNS integration via CNAMEs.
- Created and updated technical documentation and client support materials for internal workflows.
- Configured site-to-site VPN to ensure secure remote access across cloud environments.
- Administered IT projects, including Azure Active Directory setup and domain control management.

Scale AI   **Remote**
Software Engineer – AI Trainer   *February 2024 – May 2024*
- Assisted development team through model evaluation and data training.
- Tested conversational flow to ensure chatbot interactions are smooth, natural, and error-free.
- Evaluated Artificial Intelligence performance including code correction and research verification.

PROJECTS

Cat or dog image classification   *January 2024*
- Developed a machine learning model using convolutional neural networks (CNN) to classify images as either cats or dogs with 95% accuracy.
- Utilized Python, TensorFlow, and Keras to train and optimize the model on a dataset of 25,000 labeled images.

ACTIVITIES AND LEADERSHIP

University of Massachusetts Boston   **Boston, Massachusetts**
Computer Science Club   *September 2024 - Present*

Massachusetts Institute of Technology   **Cambridge, Massachusetts**
Imagination in Action – Forging the Future of Business with AI   *December 2023 - Present*
Artificial Intelligence Leadership Conference Summit

Certifications

IBM AI Developer - *View*   **February 2024**

AWS Solutions Architect - *View*   **August 2024**

SKILLS

Programming Languages: Python, JavaScript, Java, C#, SQL, C++
Frameworks & Libraries: .NET, Node.js, Express.js, Next.js, React.js
Database Management: MySQL, AzureSQL, MongoDB, PostgreSQL, Oracle, Microsoft SQL Server
Tools & Platforms: Visual Studio Code, Git, Gradio, HuggingFace, Vercel, CodePen
Cloud Providers: Amazon Web Services (AWS), Microsoft Azure
Other Skills: Natural Language Processing, Web Interface Design, Database Migration, Agile development, Cloud Architecture
